OfficerID: ss0131, Narrative

On 6/19/15 at approximately 1112, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

I was dispatched to the intersection of SR 9 and Hwy 204 for a hit and run collision. The fleeing vehicle was described as a white SUV type vehicle being driven by an 18 to 19 year old black male with an afro.

Upon arrival I met with Rebecca Collier, victim, who told me she was turning left (northbound) onto SR 9 from Hwy 204 when the white SUV that was also turning left jerked into her lane and struck her vehicle. She declined Aid.

Reference statement - COLLIER

A witness, Betty Mastrude, contacted me and told me a similar story. She said she was also turning left and was behind the white SUV when it jerked to the left and hit the other vehicle (COLLIER)

Reference statement - MASTRUDE

I could see there was significant damage to the passenger side of COLLIER's vehicle. I could see there was white paint transfer. LSPD Officer Kilroy was on SR92 and Grade Road on an unrelated call when he noticed the suspect vehicle, ATM0197 - a white Honda Passport with driver's side front end damage, fleeing southbound on Grade Road. He caught up to this vehicle at the intersection of 120th DR NE / 29th PL NE. He stopped this vehicle and detained the driver, Jennifer Shively.

I provided COLLIER my business card with the LSPD case number. Once her questions were answered I went to the location where Officer Kilroy had SHIVELY detained.

Upon arriving at Officer Kilroy's location I could see the Honda's driver's side head light was hanging by the wiring. Additionally, I could see there was red paint transfer of the same color as COLLIER's vehicle.

SHIVELY told me Karlon BROWN had been driving. She continued by telling me BROWN and his girlfriend, Jordan, had run away prior to Officer Kilroy's arrival. She provided a written statement.

Reference statement - SHIVELY.

I told SHIVELY that who had been driving needed to return to our location immediately to address the incident which most likely result in a ticket. She continued to swear Karlon Brown was the driver of the vehicle and told me she knew he wouldn't return but keep running.

SHIVELY went so far as to provide me with a phone number for 'Jordan' which I called. 'Jordan' adamantly denied being in the area of the collision. I used a ruse and told Jordan I knew she wasn't being honest and told her to have Karlon come back to the vehicle to address the problem.

Based on SHIVELY's statements - verbal and written - I released the vehicle to her.

I cleared the call and returned to my patrol functions.

I called and spoke with COLLIER who now told me she was very sore and was going to a walk in clinic to get checked. She agreed to keep me advised if she had suffered any injury.

Upon returning to the police department I was advised by Sgt. Miner he had been dispatched to contact a 'Jordan' who was very upset as she was claiming she was in Kirkland and uninvolved in the collision.

After Sgt. Miner concluded his phone call with 'Jordan' he contacted me and advised me he felt 'Jordan' might not be involved as her story seemed truthful. He advised she wanted to write a statement and provided confirmable information which provided an alibi for herself.

I immediately called SHIVELY on her cell phone, 425.350.3655. I left a detailed voicemail and told her that I knew she had lied as the persons she swore were involved had solid alibis and as such if I didn't hear from her within the hour with the truth I would opening an investigation with her as the suspect.

At approximately 1610, I received a phone call from SHIVELY. She admitted she lied to protect her boyfriend, Dwayne Horner. She said she didn't want him to go to prison for violating the DV No Contact protection order between them. She told me HORNER told her to say BROWN had been driving. She told me HORNER had convinced her he would end up going to prison if she didn't lie for

him. She agreed to come to the police department and write a statement.

SHIVELY never arrived.

As such, this case is in a pending status until such time as I can verify the injury/non-injury status of COLLIER.

I completed the collision portion of this report and submitted it.

Case Status

Further follow up is needed to determine correct criminal charges for SHIVELY and HORNER.

**inside lane*
I turned N onto Hwy 9 from 204 following a maroon car. A white mini SUV turned N also in the outside lane and turned into the passenger side of the maroon car, turning it onto the right shoulder of the road. The white SUV seemed to be pulling off onto the shoulder also but then made a U-turn and headed back around the corner onto 204.
